

## Thanksgiving #1a

---

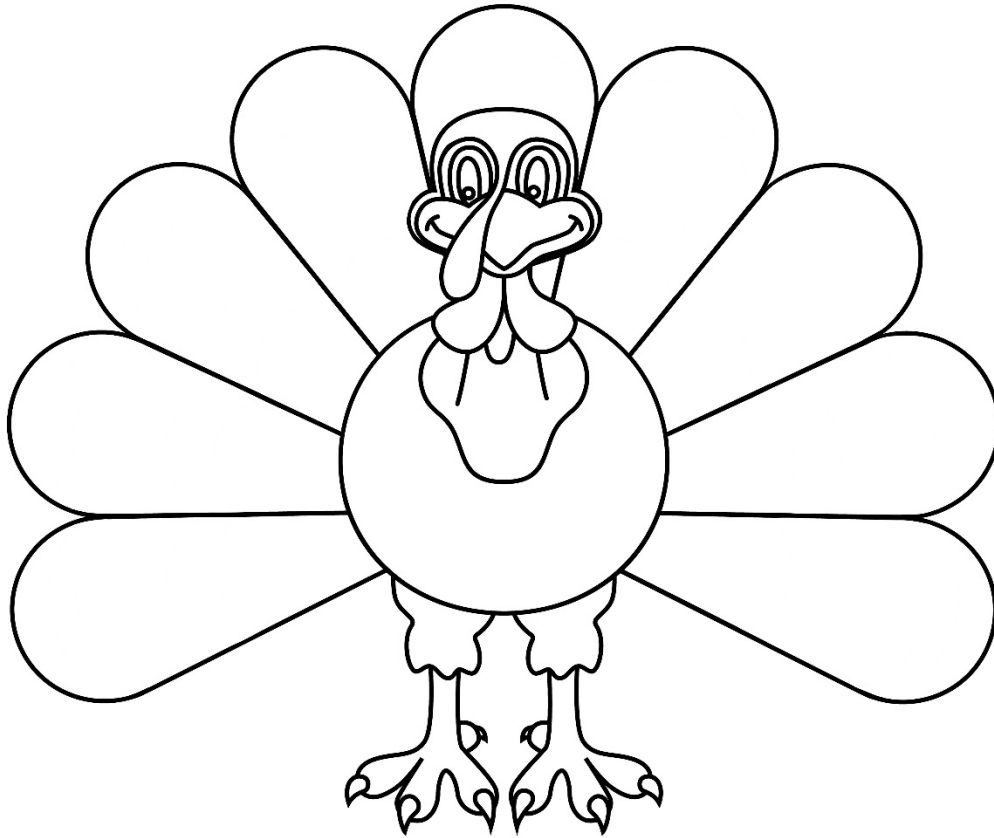

1. Roll a die to color the Turkey's tail. If you roll a 1, 3, or 5, color one feather red. If you roll a 2, 4, or 6, color one feather orange. Repeat until all of the tail feathers are colored.

2. Describe your pattern.

3. Find a partner in your classroom and describe the pattern on their turkey. How is it the same as yours? How is it different?

## Thanksgiving #1a

## Answer Key

1. Roll a die to color the Turkey's tail. If you roll a 1, 3, or 5, color one feather red. If you roll a 2, 4, or 6, color one feather orange. Repeat until all of the tail feathers are colored.

*Answers will vary.*

2. Describe your pattern.

*Answers will vary. Sample answer: AAB or red, red, orange.*

3. Find a partner in your classroom and describe the pattern on their turkey. How is it the same as yours? How is it different?

*Answers will vary.*
