

Thanksgiving #2b

Marcus invited his friends Drew and Jenny to his house for Thanksgiving dinner.

1. Jenny arrived early to help Marcus prepare the meal. It takes her 15 minutes to get to his house. The clock shows the time she left. When did Jenny get to the house?

2. It takes Drew 30 minutes to get to Marcus' house. The clock shows the time he arrived. How long was it from the time Jenny left to the time Drew left?

3. The turkey takes 2 hours and 45 minutes to cook. If Marcus put the turkey in the oven at 3:30, at what time will it be done?

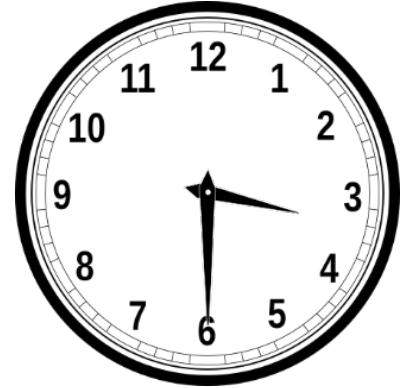

4. The potatoes take 45 minutes to prepare. If Marcus wants the potatoes to be ready at the same time as the turkey, at what time should he start making the potatoes?
