

Giant

Ten-Frame Set

How to use this bonus PDF:

- Follow just about any activity in the Guide for LER 6644 Giant Magnetic Ten-Frames
- Use the interactive ten-frame (found on page 2) on a computer screen, or project it on the wall for the whole class to see!
- Change your ten-frame with the click of a mouse. Click in each square to show a blue counter, a green counter, or no counter at all!
- Print copies of blank boards and counters (on pages 3–5) for students to cut out and use
