	Paffern Makine – 1					
Color each of the four dotted rectangles below a different color. Cut them out and place them on the large rectangle. Keep moving them around the large rectangle to make different patterns each time.						
1.	1. How many different patterns can you make?					
	Color the t	rignalos ha				
Color the triangles below using only two colors. Cut along the dotted lines. Move them into any position to make a pattern. Glue them on another piece of paper.
